

| Item No. | Description       | Aim  | Open/<br>Closed | Lead | Dead<br>line | Priority | Notes   |
|----------|-------------------|--|-----------------|------|--------------|----------|---|
| 1.       | KING GEORGE V     | Upgrade facilities to 21c standards  | O               | RU   |              |          | KGV warden is Roger Utley   |
| 1a       | Parking           | Increase availability of parking to reduce congestion in V de B Street.  | O               |      |              | 3        | Glos. Highways have produced technical data on sizing of parking bays. Jeff Taylor has suggested a way of redesigning the Car Park layout to improve capacity while making room for a storage unit.   |
| 1b       | Storage           | Provide Storage for ground maintenance /user sports equipment/bulky Ward and PC equipment currently being stored in rented garage. | O               |      |              | 3        | See notes to 1 a  |
| 1c       | Pavilion          | Upgrade to 21c standards   | O               |      |              | 1        | List of essential works agreed Mar.2013. Costings in progress   |
| 1d       | Sports facilities | Meet demand for additional sporting facilities   | O               | cl   |              |          | Survey in 2014 identified support for a small BMX cycling Track on currently unused area of playing field. Topsoil for the project was donated by the Green Shop and moved with assistance from Nick Miles and Rob Gardiner. Unfortunately, the promised support from a local landscaping contractor has not materialised and work has stopped. |
| 1e       | Safety Netting    | Reduce danger to the public from sporting activities (especially cricket balls)  | O               |      |              | 3        |   |
| 1f       | Access            | Provide safe access to KGV Playing Field across the Cheltenham Road  | O               |      |              | 5        | No viable solution found yet.   |
| 2        | ALLOTMENTS        |  | O               | LG   |              | 4        | Allotments Warden is Lesley Greene  |

|    |                              |   |    |     |  |   |  |
|----|------------------------------|---|----|-----|--|---|--|
| 3  | INFORMATION                  | Improve Information to, and encourage engagement by Ward residents      |    |     |  |   |  |
| 3a | Newsletter                   | Provide regular and Timely updates on matters of interest               | O  | JW  |  | 4 | Insufficient new information on a rolling basis to make a regular newsletter effective. E mail alerts will be sent out when time is crucial.   |
| 3b | Bisley News                  | Provide updates on what the council is doing                            | O  | A/R |  | 4 | Open to all, but bi monthly cycle limits timeliness of information   |
| 3c | Facebook                     | Disseminate up to the minute information on matters of interest/concern | CL |     |  |   | Unable to justify the considerable time involved in gathering the raw material necessary to maintain a regularly updated interesting page. Page closed 2016                                    |
| 3d | Events calendar              | Provide information on what is happening, when                          | O  |     |  | 5 | Action from Parish Plan  |
| 3e | Event Digest                 | Summarise future events   | O  |     |  | 5 | Action from Parish Plan  |
| 4  | RESILIENCE                   | Improve Bisley's viability as a community                               |    |     |  |   |  |
| 4a | Self-help gritting in winter | Improve safety of residents especially elderly/ vulnerable              | O  |     |  | 2 | High Street plus the footpaths Windyridge to the Bear are treated by volunteers using hand gritters owned by the Parish Council  |
| 4b | Youth Sport                  | Provide more sporting activities for young people                       | CL |     |  |   | Action from Parish Plan  |
| 4c | CO2 reduction                | Parish Council should lead by example                                   | O  |     |  | 5 | PV Panels installed on roof of Sports Pavilion April12. Installation available for viewing by public. Regular updates on financial returns/CO2 saved by Bisley News                            |
| 4d | Grit Bins                    | Map all bins and identify where new/replacement Bins are needed         | O  |     |  | 4 | Bins at Windyridge and Cheltenham Road replaced Summer'12. Full Survey carried out Summer'13. Missing bin on Steep section leading to Scrubs, replacement purchased and awaiting installation. |
| 4e | Communications               | Improve access to mobile communications in Bisley                       | CL |     |  |   | It was announced in 2015 that the proposed new Mobile mast at rectory Farm would not be going ahead.   |
| 4g | Internet                     | Installation of Fibre Optic Broadband                                   | CL |     |  |   | Work on upgrading the Bisley Exchange commenced 2015. Now complete.  |

|    |                                 |  |    |    |  |   |  |
|----|---------------------------------|--|----|----|--|---|--|
| 5  | VILLAGE ENVIRONMENT             | Make Bisley a nicer (and safer) place to live                    | O  |    |  |   |  |
| 5a | Traffic calming/speed reduction | Make the roads safer- especially for pedestrians                 | O  | HS |  | 3 | Plenty of evidence that speeds in Bisley are too high but little speed enforcement by Police (this is a countywide problem)  |
| 5b | Cycle Paths                     | Separate Cyclists from motorised traffic.                        | O  |    |  | 5 | Action from Parish Plan, especially provision of a cycle path between Bisley and Thomas Keble school. Cost a major obstacle.   |
| 5c | Footpaths                       | Encourage walking  | O  | HS |  | 4 | Responsibility for maintaining footpaths lies with GCC. We are seeking to establish a network of Footpath volunteers who will report problems as they arise.   |
| 5d | Cheltenham Road Footpath        | Increase safety of pedestrians walking along the Cheltenham Road | O  | HS |  | 5 | A long term aspiration. Discussions with the landowners have made no progress. Continue to raise in Highways and safety Forums.  |
| 5e | Dog Bins                        | Encourage dog owners to clear up after their animals.            | CL | HS |  |   | Usage patterns indicate that the number/ positions of dog bins is about right. May have to review in light of SDC proposals to charge parish Councils for the emptying of Dog Bins.  |
| 5f | Sports Pavilion                 | Carry out essential maintenance                                  | O  | RU |  | 4 | Roof and guttering repaired April 11. Repairs to external woodwork. Jul-Oct 12. Carpet replaced Oct. 12. Kitchen Water Heater Oct. 11. Water boiler and kettle replaced April- Nov 12. Door replaced July 14. Rendering repairs July 14. Car park drain cleaned out and CCTV survey done Dec 14. Ball valve in main water tank repaired March 15. Leaking main water guttering repaired June 15. Further Guttering repairs Oct 15. |
| 5g | Play Areas                      | Carry out regular safety checks                                  | O  | HH |  | 4 | Weekly checks by Play Area Warden. Annual safety check by external inspector   |

|    |                        |  |    |    |  |   |   |
|----|------------------------|--|----|----|--|---|---|
| 5h | Van De Breen Play area | Maintenance required: Junior Commando Bridge and the slide both require painting | CL | HH |  | 4 | Work completed Nov 15   |
| 5i | Van De Breen Street    | Annual Safety inspection installation of suitable impact surface below slide     | CL | HH |  |   | Repairs completed March 16  |
| 5i | Windyridge Play area   | Repairs required to slide and Horse Spring mobile                                | CL | HH |  |   | Repairs completed March 16  |
| 5j | War Memorial           | Essential Maintenance  | O  |    |  | 3 | Nov 12: memorial inspected by local Rep. of war Memorial Trust who advised only minor cleaning required. He provided details of companies able to carry out the work. Parish Clerk is seeking quotations, but local firms do not seem to be interested. |
| 6  | PLANNING               |  | O  | JW |  | 4 | Planning Lead is Jane Walker  |
|    |                        |  |    |    |  |   |   |

1. Ward Main Effort
2. Funding identified and Implementation in progress/ Start date fixed
3. Funding not identified and/or No Start Date
4. Routine Activity
5. No solution identified and /or no capacity to pursue.
