Volunteer Trustee Vacancies: Stroud Hospitals League of Friends

Stroud Hospitals League of Friends is a long established, well resourced and successful charity which supports Stroud Hospital, Stroud Maternity Hospital, and a number of related local health centres and health related community projects. We are seeking up to three new Trustees to join our board to help shape our strategy, make decisions about our grant-making, and to monitor our financial resources to enable the charity to prosper and continue its significant impact for many more years. We are keen to recruit new trustees whose skills and experience complement those of the current trustees, in particular, though not exclusively, those with a background in a clinical field, community health or social care, PR, media or marketing, a legal background or investment management.

However, we welcome interest from whatever background and skills you have. It is your own experience which will enable you to play an active role, as we are seeking individuals who have an enthusiasm to make a positive contribution to the Stroud Hospitals and to the health and wellbeing of the communities they serve.

For more information about the role please see www.stroudleagueoffriends.org

To apply, please send us your CV and a short covering letter as to why you would like to join us (no more than one side A4). Please send to info@stroudleagueoffriends.org by 5pm on 31st March 2020.

We welcome your interest, but if you are unsure, please contact Roma Walker at romawalker@btinternet.com for an informal discussion.
