

# Do you have unwanted furniture?

We can use your unwanted furniture to make a positive change in our community.

We help the Stroud District by:

- **Helping families in need** by offering quality furniture at a subsidised prices.
- **Helping the unemployed** to gain employment through apprentices and flexible employment opportunities.
- **Helping you** to recycle your unwanted furniture and divert as much as possible from landfill.

We will come and collect free of charge on a day which is convenient for you.

For more information or to book a collection do get in contact:
