

Police are aware of a number of incidents regarding individuals who are going from door to door and selling household items across the district. These are often sold at inflated prices.

Please be advised that you are NOT obliged to buy from these sales people and can politely decline their products or services.

Kindly report any aggressive, abusive or threatening reactions to Police via 101.

Remember, we're unable to accept reports of crime through Your Neighbourhood Alerts. If you need to report something, please complete this online form: <https://www.gloucestershire.police.uk/tua/tell-us-about/cor/tell-us-about-existing-case-report/>
